

## Riverside Academy Summer Reading and Math

### Reading

Going into 7th grade: *River* by Gary Paulsen

Going into 8th grade: *Number the Stars* by Lois Lowry

Going into English I - *Lord of the Flies* by William Golding

Going into English II - *Percy Jackson & the Olympians: The Lightning Thief* by Rick Riordan

Going into English III - *The Picture of Dorian Gray* by Oscar Wilde

Going into English IV - *Looking for Alaska* by John Green

Going into English 101/102 - *Tuesdays with Morrie* by Mitch Albom

Students will complete a packet when they return to school on the assigned novel.

## MS Math

**MS students** will complete assignments online in IXL. If a student cannot access the internet, a paper packet can be printed from the RA website or picked up at the school office.

*IXL USERNAME AND PASSWORD WAS SENT HOME WITH REPORT CARDS. IF YOU LOST IT, PLEASE*

*CONTACT MS. DeLanauville ([adelanauville@riversideacademy.com](mailto:adelanauville@riversideacademy.com))*

### **Packet due: The 3rd full day of school**

Dear Riverside Students and Parents,

I know most are looking forward to a stress-free summer. I encourage students to practice math by completing this summer packet or completing the listed IXLs for the grade levels to keep those skills fresh. These assignments will focus on some skills and concepts necessary for success in your grade and sharpen skills you have already learned. Please complete the packet in pencil and make sure your handwriting is legible. If you choose to do the IXL, the number indicates grade level, the letter and number indicate lesson. It's the same criteria we followed during the school year. ( 20 mins or 80%). If the lesson was already completed, it must be done again. Simply click on it and begin again. Do not use a calculator because you will not be allowed to use one in class.

### **6th to 7th IXL**

6th G7	6th G8	6thM2	6thM3	6thD1	6thG1	7thE1	7thE2	7thE3	6thL2
--------	--------	-------	-------	-------	-------	-------	-------	-------	-------

### **7th to 8th grade IXL**

7thB3	7thB8	7thB12	7thB16	7thB18	7thB20	7thB21	7thB24
-------	-------	--------	--------	--------	--------	--------	--------

**MATH: HS students** will complete assignments online on Delta Math. If a student cannot access the internet or their account, a paper packet can be printed from the RA website or picked up at the school office. Returning students will use the same account they used this past school year. New incoming students can register on [deltamath.com](http://deltamath.com) using personal email and corresponding class code. If unable to register, please print the packet from the RA website or pick it up in the school office. If you complete the summer assignment on delta math, be sure to **SHOW ALL WORK** and upload it at the end of the assignment. To receive full credit, you must show all your work. Make sure the file/photo you upload is clear. If you are having trouble uploading your work, you will need to turn it in to your teacher when you report to school. **ALL WORK IS DUE THE FIRST DAY OF SCHOOL.** Girls will turn their work in when they return to school for girls only day, and boys will turn their work in when they return to school for boys only day.

**\*\*\*If you have any questions, please email contact Mrs. Rachel at**
